

Watch TV while away from home with watchTVEverywhere!

With watchTVEverywhere (WTVE), Pioneer iVideo customers can access most of the networks in their iVideo subscription while away from home on an internet connected device. To access WTVE you must be a Pioneer iVideo customer and register for a WTVE account.

watchTVEverywhere Registration Instructions

Step 1

To Sign Up, visit GoPioneer.com and select the Get Started box inside the watchTVEverywhere link on the iVideo page.

Step 2

Select Pioneer iVideo as your TV Provider from the drop down list.

Step 3

Select REGISTER to set up your free account.

Step 4

You will need your Pioneer iVideo Account Number, Last Name on your account and a valid Email Address to complete the Registration process. The Email Address you enter will be your WTVE Username.

Step 5

You will receive a Confirmation Email after you complete the Registration Process. Click the link provided in the email to complete the Registration Process.

Step 6

Congratulations! You may now LOG IN and see the networks available.

from home with
watchTVEverywhere!**

watchTVEverywhere Viewing Instructions

Step 1

Visit www.wtve.net as a direct link or GoPioneer.com and select the Get Started box inside the watchTVEverywhere link on the iVideo page.

Step 2

Select LOG IN.

Step 3

Select Pioneer iVideo as your TV Provider from the drop down list.

Step 4

Enter your Email Address and Password you created during the WTVE Registration process.

Step 5

Select a Network you want to watch. The Network may require you to LOG IN again once you are on their site. Use your WTVE credentials and click the Login button. Some Networks only allow 15-minutes of viewing if you don't Log In. Each Network has different viewing options, but normally you should have the option to watch LIVE, Previous Episodes or past Seasons of Shows available.

Step 6

Always Log Out after you finish watching.

*Watching wtve networks on a mobile device requires data. Contact your Cellular Provider for data rates and fees.
